

Close more deals, faster with the **Knock Bridge Loan**™

Enable clients to use the money “tied up” in their current home to purchase their next one.

Free up your pipeline

Our first-of-its kind solution offers cash flow while delivering certainty, convenience, and competitiveness throughout the clients buying and selling journey.

No fees for lenders or agents

You lead the client relationship

Clients can buy before they sell

Provide your clients with:

Competitiveness

with non-contingent offers, improved cash flow, and a better DTI ratio.

Convenience

with freedom to move on their schedule, streamlining the transition between homes.

Certainty

by confirming loan amounts upfront before introducing Knock to your clients.
