

Close more deals, faster with the **Knock Bridge Loan**™

Give clients freedom to buy the home they want,
on better terms.

Differentiate yourself

Our first-of-its-kind solution allows your clients to use the money “tied up” in their current home to purchase their next one, making them more competitive and providing greater certainty and convenience.

More double-ended deals

You lead the client relationship

Work with your preferred lender

No fees for lenders or agents

Enable your clients to buy before they sell

Competitiveness

Help clients close on their new homes faster with non-contingent offers, improved cash flow, and a stronger buying position.

Convenience

Offer clients the freedom to move on their schedule, while skipping double moves/showings, and living through repairs.

Certainty

Find out how much your clients can access upfront (up to \$1M) with a fair, fixed fee.
